

**May 27-31,
2025**

**Arithmetic, K-Theory and Algebraic Cycles
Ohio State University
Columbus, Ohio**

Speakers include:

Spencer Bloch: University of Chicago
Gunnar Carlsson: Stanford University
Evangelia Gazaki: University of Virginia
David Harbater: University of Pennsylvania
James Hotchkiss: Columbia University
Matt Kerr: Washington University, St. Louis
Eoin Mackall: University of California, Santa Cruz
Akhil Mathew: University of Chicago
Martin Olsson: University of California, Berkeley
Raman Parimala: Emory University
Pablo Pelaez: UNAM, Mexico
Bjorn Poonen: MIT
N. Ramachandran: University of Maryland
Anand Sawant: Tata Institute, Mumbai
Marco Schlichting: University of Warwick, UK
V. Srinivas: State University of New York, Buffalo
Charles Weibel: Rutgers University

Conference is sponsored by the Clay Mathematical Institute, the Mathematical Research Institute (MRI) of Ohio State University, the National Science Foundation and the K-theory Foundation.
