Office Hours: 5:00-7:15 PM TR in Math Tower (MW) 242
If your schedule prevents you from meeting with me at these times, please feel free to e-mail me to schedule a meeting at a different time.

Homework: There will be a homework set due on Tuesday of each week for a total of 8 homework sets. I will drop your lowest score.

Quizzes: There will be 5 quizzes (all on Tuesdays) this quarter. I will drop your lowest score.

Midterm Exams: There will be 3 midterm exams this quarter. Because it covers material essential to your success in future math courses, the second midterm is worth more points than the other two exams.

Final Exam: There will be a cumulative final exam on Tuesday August 24 at 7:30PM in our normal lecture room.

Grade: Your course grade will be based on the points you earn on homework, quiz, and exam scores as a percentage of the maximum total points available.

Quiz: 4*20pts/quiz 80 pts
Homework: 7*10pts/hw + 70 pts
Midterm: 100pts(MT1)+150pts(MT2)+100pts(MT3) + 350 pts
Final Exam: + 200 pts

Max Total Points 700 pts

Policies

Calculators: Calculators WILL NOT BE ALLOWED on exams and quizzes. While some homework problems may require you to use a calculator, try to do as much of your homework as possible without the aid of a calculator.

Late Work/Make-ups: Late homework will not be accepted. Unless your absence is due to a University sanctioned event (and is supported by proper documentation), you will not be permitted to "make up" a quiz. I will allow exams to be made up on a case-by-case basis. You should be warned, though, that make-up exams will be different and likely more difficult than the in-class version. It is in your best interest to take each exam at the designated time.
