Miscellaneous information:

- attendance is not mandatory, but strongly encouraged
- the class is “questions-friendly” (you have a question, **do not hesitate to ask it**; if time allows it, the answer will follow; in the worst case, you will be directed to your TA)
- midterm locations will be announced in a timely fashion; there are several ways to find them out: in lecture, in recitation, emailing me or your TA, checking my webpage (see above), reading the list of exam locations posted in the 1st floor of Math Building
