As per your class' syllabus, the lowest quiz will be dropped.

- 6.3 through 7.4 due November 27; will return on November 29

Homework is due at 11:59 PM on the day specified above, respectively; there will be a folder at my door where you can drop it in, or you can leave your homework, with my last name visible on it, at the Reception in the Math Tower. Keep in mind that the Tower's doors usually get locked in the evening!

No make-up quizzes (any missing quiz will be graded with 0) and no late homework (again, any missing homework will be graded with 0) will be accepted. Class participation, on the other hand, can and will compensate, if necessary, any of these mishaps. Class participation = asking (pertinent) questions, answering questions, making comments or corrections.
